The 690 Cleveland Collection pairs sophisticated modular design with effortless power functionality for flexible, everyday comfort. Upholstered in a soft, neutral fabric, this sectional brings a calm, refined presence to any living space, with clean lines, plush cushioning, and coordinating throw pillows adding subtle texture and style. Built with our WOW Seating System - combining precision-cut wood frames and gel-blended foam - the Cleveland delivers durable support and long-lasting comfort, with power recline and an adjustable power headrest providing personalized relaxation at the touch of a button.
